Presidents report.

All British Day is on Sunday 11th February 2018. VVMCCSA will have it's own display area on Echunga Oval 2 of 15 motorcycles and 2 AJS cars. I will need support in organising our display from 8.30am, entrants are to arrive after 9.30am, please attend and support your club

The Mannum ride will be re-scheduled for **Sunday 15th April**. Ian Hese is negotiating with the local council and Mannum Rotary for the BBQ and location of display. This event will include a ride along the river's banks.

The Kersbrook Tiddlers rider is on **Sunday 18th February** starting at the **Kersbrook Community Clubrooms** at 19 Glover Street Kersbrook. Ian Hese will ask for the number of members and partners attending for catering. *If the event is cancelled due to weather policy* it would be appreciated that you still attend because the Community Club will have prepared "X" number of meals which have to be paid by member attending, those who do not attend VVMCCSA is forced to cover that cost.

The Club magazine will be reduced by 4 pages due to the cost increased incurred by Australia Post. Over the years I have been able to convince Australia Post that our magazine meet their size requirement (letter) and pay \$1.00. Unfortunately they have advised my local post office not to accept them unless they 'slip' thru the small letter window. The current magazine will not comply and was charged \$2 each magazine. I experimented by removing 4 pages, and using a rolling pin to squash the folds and yes the magazine now complied and will cost \$1.00 (*hopefully*) from now on.

If the temperature is 35c and higher – the ride is cancelled

If there is a catastrophic condition given for the Adelaide Hills Ride is Cancelled

If in doubt—call Ian Hese (CC) for directions?

Wanted—a member to volunteer to store the trailer.

The trailer is currently at my place and I am looking for a club member with room to store it, and possibility to perform the duty of 'back-up trailer duties' and tow it on club runs and receive \$60 for petrol. The Member storing the trailer will be required to record in a book the details of any Club Member that borrows the trailer - the Members number, date & time of pickup and return of trailer."

Kangarilla Community Fair, March 11th at the Kangarilla Oval from 9.00am to 2.00pm.

I'll have shade for those attending but can only provide perhaps 4 or 5 chairs. It's a lovely day out with a combined community fair atmosphere. Lunch, coffee and soft drinks can be purchased on site. If at all you're interested just rock up on the day. Be nice to have a little more interest shown besides myself flying the flag.

MINERVA. ?. 1902. Engine No.7998.

This is not a genuine MINERVA motorcycle.

The suggested date of manufacture is hopelessly out.

The engine, which appears to be a Minerva alright, is not of 1902 manufacture. It could be of 1903 or 1904, or possibly of 1905 date.

The frame is built up of Chater Lea lugs, as are the Forks, but none of this material was on the market before 1903. The design of frame and forks suggests a date of even later than 1904. The Minerva Engine for fitting under the front down tube, (as your model) was available up to 1906.

The rear Stand-Carrier is a Main-Hilton, and is correct for early machines.

In the late cycle days, and early motorcycle days, many cycle agents built up machines from Chater Lea lugs, and slung such engines as the Minerva engine under the front down tube. But the low-built frame of your machine did not become available until well after 1903, even when built up as a One-Off.

 The polling at Port MacDonnell for the
 Federal election was very early, beat-
 ing the State poll by 7 votes and mak-
 ing a record. A further record was
 made by the buses with papers
 being delivered to the residence, return-
 ing earlier at Mount Gambier at 8.30
 p.m. or some two hours earlier than
 usual. This was accomplished by the
 aid of motor cycles. The riders, Messrs.
 E. J. Carrigan and S. P. O. Thomas,
 left Port MacDonnell at 6 p.m. and ar-
 rived at the Mount Gambier Town Hall
 65 minutes later—good time, considering
 the darkness of the night and the al-
 cious state of the roads, capped through
 the dry weather.

Tiddlers run Sunday 18th February 2018.

This is the 9th **Tiddlers Run** starting at the **Kersbrook Community Clubrooms** at 19 Glover Street Kersbrook. Meet at 9.00am to start the run at 9.30am.

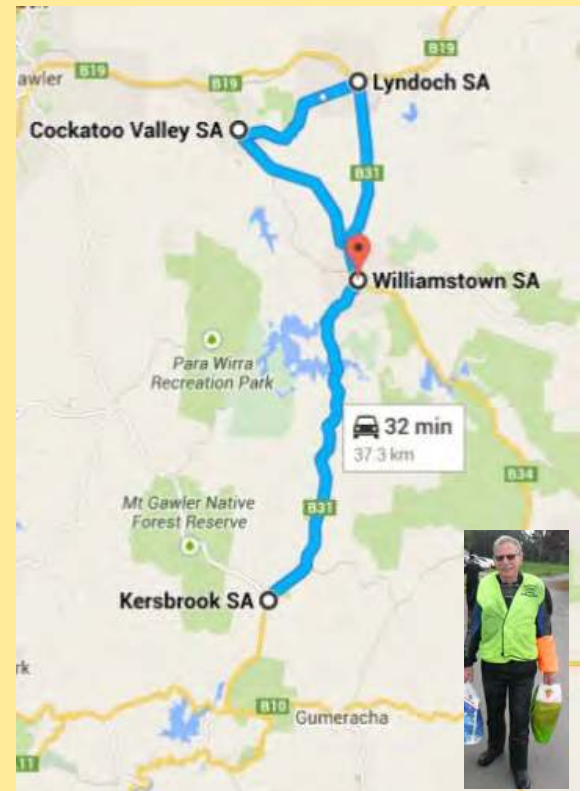

This run is designed to encourage small capacity motorcycles, but all motorcycles are welcome for the challenge. Riders can enjoy a leisurely and less stressful pace along reasonably flat riding country roads with a few slight rises to challenge and keep riders awake.

The run will take members along the Para Road to Williamstown with the 1st re-grouping at the car park of the Williamstown Hotel.

Refreshments and toilets close by. We then turn LEFT towards Cockatoo Valley then turn right to Lyndoch for the 2nd stop at the large car park for refreshments and toilets break. Riders then will travel along the Lyndoch Valley road to Williamstown for a 3rd stop at the Williamstown Hotel before arriving back the Kersbrook Community Clubrooms for a—

BBQ Lunch (2 courses and a drink) @ \$5 each per member and \$5 partner.

Regards Bob Gill.

If the event is cancelled due to weather policy it would be appreciated that you still attend because the Community Club will have prepared "X" number of meals which have to be paid by member attending, those who do not attend VVMCCSA is forced to cover that cost.

Hi Folks, A while ago Smoke Signal had a photo which I think I identified as Carrison's motorcycle, Pt McDonnell. Here he is driving a Lewis car. Part of the same photo was used in Brooks' blue book about cars made in SA, but this is the first time I have seen the whole photo with names. Gilbert was the builder of Trebligs at Strathalbyn, company continues as Toyota dealers, Mt Barker. Can confirm 727 was registered to Friedrichs, whose name bobs up in events of the day. **Regards Terry Parker.**
