Dear Entrant,

PLEASE USE THIS INFORMATION WHEN PREPARING YOUR ENTRY FORM

Just a short note for your information about what to expect when you arrive for the Veteran and Vintage Motor Cycle Club's 50th Anniversary Tour.

The Barossa Valley Tourist Park at Nuriootpa (Rally Headquarters) is located close to the town's main street where most types of businesses are situated. This will help with supplies if you wish to use the barbeques at the park for your evening meals. There are also suitable eating places in the main street.

Your Rally Pack will be available in the Caravan Park Meeting Room between 3.00 - 4.00 PM on Saturday, September 16, and 3.00 - 4.30 PM on Sunday, September 17.

On Sunday afternoon after the Swap Meet there are two options: (1) Visit the National Motor Museum. If you are entering the "Bay to Birdwood" you will finish that run there, so you may choose (2) A run to Melba's Chocolate Factory at Woodside.

The bus which we plan to have available to follow the bike riders will only be possible if there is enough patronage.

There will be a separate bus for the McLeod's Daughters Tour on Tuesday, which will meet the bike riders for morning tea and lunch. It is important to remember that NO bikes will be able to follow this bus onto private property. Those people on the McLeod's bus do not need to order lunch because it is included in the tour cost. The 50th Anniversary Tour daily bus will be available for those not doing the McLeod's tour.

The river cruise on Thursday has seats for 86 passengers only, which will be allocated firstly to interstate visitors until it is full. Any money paid and not used will be refunded. At the same time as the cruise there will be a guided tour of the PS MARION, a restored and working paddle steamer built in Milang SA and launched in February 1897, which will be moored near the Mannum Dock Museum. The lunch price includes the tour of the Marion and the Museum.

When ordering your hat, sizes are: Small/Medium fits head sizes up to 56 cm and Large/Extra Large over 56 cm. It is a black bucket hat with gold piping and a gold embroidered badge.

The polo shirts are also black with gold trim and an embroidered badge. The mens' shirts have a pocket. Use the following information when ordering:

All lunches served during the Rally are light meals, but there will be places where you can buy more food if needed.

NOTE: All persons attending the Rally must sign the entry form indemnity statement.

I look forward to seeing you at the Rally.

Kind regards,

Yours faithfully,

COLIN PAULEY
